

# Fairmount Neighborhood Cleanup

Got Trash? We've got you covered.

Join us for a Fairmount Neighborhood Cleanup.

If you live in the area below, bring your bulky items or trash to our dumpsters.

Saturday, June 4 from 9am-12noon

We all want a clean neighborhood!

### Important Information:

1. If you live in the neighborhood on the map, bring your items to the dumpsters at: Community Services League Fairmount (10725 E 24 Highway, across the street from Taco Bell)
2. No tires, hazardous materials such as paint, chemicals, computer monitors, television, fluorescent lights or batteries.
3. If you need assistance, call 816-226-7364 to schedule a pickup on that day. First come, first served for appointments
4. If you live in the neighborhood, we want to ask you for a favor. Please help us make sure that trash is not being dumped in our local businesses dumpsters. It blows away and no one picks it up, then it's all a mess.
