Return Date	<b>August 11, 2021</b>	Other:	<b>\$0.00</b>
		Total	<b>\$647.75</b>

**Purpose**

**Missouri AWWA/MWEA Joint Annual Meeting. This conference will provide 15 hours of continuing education credit for my professional engineer's license, and also my Missouri DNR Water Treatment A and DS-III licenses.**

**How did the travel apply to the job?**

This is a Water Professional conference put on by the Missouri Section of the American Water Works Association (AWWA). This conference provides training, networking and regulatory guidance for attendees.

**How did training add value to the city?**

I am required to hold and maintain a Professional Engineering License as well as a MDNR Water Operator and Distribution System licenses. These licenses require to earn continuing education units(CEU)/professional development hours(PDH). This conference provided 15 hours of the 30 hours we are required to earn between renewal periods for my licenses. This training provides knowledge on new technologies along with regulatory updates in the water industry.

**General comments:**

This is an excellent conference and a true value for the City.
