Business License Application Information

Any individual or company operating a business or providing a service in the City of Independence is required to have a City Business License.

The initial business license fee is based on the amount of projected gross receipts for a full twelve-month period. Gross receipts are defined as twelve times the gross monthly average of receipts, revenues, business or fees earned by a business or person, consistent with the reporting and accounting basis adopted for Federal taxation purposes. If the projected gross receipts are \$25,000 or less per year, the license fee is \$25.00. If your projected gross receipts are more than \$25,000, the fee is \$25.00 plus \$0.29 for each \$1,000 or part thereof more than \$25,000. Businesses based in Independence shall report on their total gross receipts, whether those receipts are generated inside or outside of Independence. Businesses without an office or location in Independence should project gross receipts in Independence only and pay the business license fee based on that amount.

There are some businesses whose fees are based on a different fee schedule. For instance, fees for private detective or private watchguard agencies are based on the number of employees. Business license fees for pawnshops are a flat fee of \$500.00 plus an investigation fee of \$500.00. Insurance companies have a limit as to the maximum fee they are required to pay, based on the type of insurance sold by the company. Insurance agents and real estate agents will pay fees based on the amount of their commissions only. (See application form for list of businesses that pay the flat license fee.) Residential builders shall pay fees based on the sale price of the homes they build.

As a convenience, you may make application on the internet with payment by a credit card. To use this service, go to the web site at www.indepmo.org/businesslicense. You may also make application on computer terminals located on the second floor of City Hall located at 111 E. Maple Ave. These terminals are available between 8:00 a.m. and 4:30 p.m. only. To access the City's Business License Code (Chapter 5) on the internet at www.ci.independence.mo.us, click on the E-Government Services icon and then click on the City Code link.

If your proposed business is to be located inside the City limits of Independence, we recommend that you begin by contacting the Zoning Division to assure that the location you have selected is zoned for your intended business use. You may contact the Zoning Division at 816-325-7422 for zoning verification. If you have additional questions regarding specific zoning regulations or rezoning requests, you may call 816-325-7421 or 816-325-7823.

It is also suggested that you contact the Building Inspection Division to determine whether the building in which you intend to locate your business is approved for your proposed use. In addition, if you will be locating your business in an existing building and are proposing to make structural changes to the building or erecting or replacing a sign, the Building Inspection Division should be contacted regarding required permits. Their telephone number is 816-325-7401.

Businesses that have retail sales are required to have a Missouri Retail Sales Tax License issued by the State of Missouri Department of Revenue. The Missouri Department of Revenue has an office in the Missouri Office Building at 615 East 13th Street, Kansas City, Missouri. Their telephone number is 816-889-2944. If your business is required to have a Retail Sales Tax License, you must have this number issued to you by the State of Missouri before making application for your Independence business license.

Business licenses will expire twelve months from the time of application. Renewal applications are mailed prior to the month of expiration and must be renewed by the last day of the expiration month. Renewals can be paid by mail, in person, or on the Internet. The City's web site address is www.indepmo.org/businesslicense. To log in, enter the account number from your renewal form that is highlighted in yellow. Upon entering the requested information and a credit card number, the system will provide a payment confirmation screen which you will need to print out. Late renewal penalties are ten percent (10%) of the license fee for the first month past due, plus two percent (2%) for each additional month past due.

Upon receiving the first year renewal application, a comparison is made of the estimated gross receipts you provided at the time of application and actual gross receipts upon renewal. If it is found that the gross receipts were underestimated on the initial application, you will be billed for the difference in the fee between the estimated gross receipts and the actual gross receipts figure. If you find that you have overestimated the first year gross receipts, you may submit a written request for a refund of the fee between the overestimated figure and the actual figure.

If you have additional questions or need assistance completing the application form or calculating the fee, please call the License Division at 816-325-7079. Office hours are 8:00 A.M. to 5:00 P.M., Monday through Friday.
