

AAP Program Year:* 2015

AAP Title:* 2015-16 Annual Action Plan Substanti

AAP Plan Version:* 2015 Amendment 1

If Amendment: Substantial ▼

If Substantial Amendment, explain:*

In accordance with the City of Independence Citizen Participation Plan a substantial Plan amendment is required when a change in the scope of a previously planned activity, including increases in funding of 50% or more, is proposed. This amendment allows for an increase in funding in the amount of \$410,000.00 in the category of economic development activities, which represents a 130% increase from the original allocation, to be targeted for projects and programs that include the following: micro-enterprise and small business assistance, special economic development activities that result in LMI job creation/retention, and CBDO job training programs that result in job placement. These activities have been determined consistent with the overall goals and priority objectives of the 2015-19 Five Year Consolidated Plan.

- Programs included:*
- CDBG
 - HOME
 - ESG
 - HOPWA

Is this Annual Action Plan associated with a Consolidated Plan?* Yes ▼
