Return Date	October 7, 2022	Other:	\$0.00
		Total	\$886.98

Purpose

MPUA Annual Conference and Board of Directors Meetings

How did the travel apply to the job?

MPUA Annual Conference allows the opportunity to talk with industry professionals along with regional transmission operations about a wide variety of topics. I also serve on the executive committee for the Missouri Electric Commission.

How did training add value to the city?

MPUA Annual Conference allows the opportunity to talk with industry professionals along with regional transmission operations about a wide variety of topics. I also serve on the executive committee for the Missouri Electric Commission.

General comments:

Was able to speak with representatives from SPP and MISO about generation needs and listen to utilities speak about crypto mining rigs and legislation coming from our nations leadership.
